

The 160kg (25st)  
Capacity Platinum Curve  
Heavy Duty (HD) Stairlift

## Why Choose Platinum

Stairlifts are one of the best and most cost effective assistive technologies available to help elderly and disabled people retain more independence and comfort at home. However, for people weighing over 120kg (19st) with staircases that have turns or quarter landings there was little choice but to move to a bungalow.

### Until now that is!

Thanks to the new Platinum Curve HD, larger than average people, with complex staircases, now have the choice and ability to install a quality built, cost effective curved style stairlift to help aid safe mobility and retain more independence at home.

Rated to 160kg (25st) the Platinum Curved Heavy Duty may just be the answer to your stairlift requirements.

survey.

# The PLATINUM CURVE HD

## Features and Benefits

- 160kg (25st) max weight capacity
- Wider seat with adjustable arm width in 25mm increments
- Stronger swivel boss
- Hardened acetyl rollers
- Additional legs and support bars placed on the rail for additional stability and strength
- Heavy Duty drive motor

## Options available include:

**Remote Controls-**  
Handheld control to call or park your lift

**Powered Footrest Raiser -**  
Allows footrest to be folded away without the need to bend down

**Drop Nose Finish -**  
For close proximity to doors and passageways

**180 Degree Internal Bend -**  
One of the tightest, space saving bends available

**Top or Bottom Overrun -**  
Allows more space and access to your staircase

**Full LED Diagnostic System -**  
Indicates lift functions and service information

**Foot Covers -**  
Improves the finish of the rail on your stairs

**Extra Wide Arm Adjustment -**  
Can be specifically designed to ensure the best fit for the user

## Comfort and peace of mind

Your comfort and safety is important to us. That is why the Platinum Heavy Duty has easy to use controls and thanks to our special rail bending process, provides you with a very smooth and comfortable ride quality.

## Buy with confidence

The Platinum curve is guaranteed with a minimum 12- month warranty. Platinum Stairlifts is an active member of the British Healthcare Trades Association (BHTA), an organisation to which membership requires a strict adherence to codes of practice and a commitment to high levels of quality and customer service.
